

## SWAN 62 REVIEW

Dear Friends,

Any feedback, especially suggestions for improvement is always gratefully received (either directly to me or through your area leaders).

**There will be a meeting on Saturday 28th April (09:30 for 10:00) at the 2nd Nene HQ in Peterborough for a debrief of SWAN 62 and to commence the planning of SWAN 63.**

The meeting is for all of Skipper level and above, plus interested Scouting Leaders, Commissioners, Lay Officials and adult supporters, for a debrief of SWAN 62 and to commence the planning of SWAN 63.

Please forward any requests for agenda items as soon as possible.

Petrol or public transport fare will be paid to attendees from beyond the Peterborough area and lunch will be provided.

SWAN 63 will be from Good Friday 29th March to Saturday 6th April 2013. We have reserved all 14 Hunter Fleet cabin yachts, Bure & Tarn from Swallowtail Boatyard, Hurricane and Tornado from Eastwood Whelpton and the Keighley family yacht Swan.

It will help planning immensely if staff, skippers and mates can let us know as soon as possible if they intend to join SWAN 63 or not, so that we can work out how many yachts we can crew and how many galley boys and senior galley boys can be supervised.

I would very much appreciate feedback in the format below (extracted from feedback received from Ed Sowells), with a view to the items of feedback being classified into topics and for each of these to be analysed and reported on by a group at the meeting on the 28th April.

## SWAN 62 - REVIEW

| <b>What went well?</b>              | <b>Why?</b> | <b>What do we do next time?</b>     |
|-------------------------------------|-------------|-------------------------------------|
| Pre-info                            |             |                                     |
| Training                            |             |                                     |
| Arriving and first night            |             |                                     |
|                                     |             |                                     |
