

2nd Nene (St. Peters) Air Scout Group Apollo Scout Troop

10th January 2011

Dear Parents/ Carers,

As you will no doubt expect, it is important that Scouting reflects the communities in which it operates and provides effective activities and opportunities for all sectors of society. Whilst Scouting has made considerable strides in achieving this, in order to demonstrate our success we need to improve the collection of accurate data.

With this in mind, please find attached a new form intended to help us collect anonymous data around ethnicity and disability.

The categories on this form match those used by the UK National Census and this in turn will mean that we can get a much more accurate picture of how closely Scouting truly reflects the communities locally.

We would very much appreciate it if you would fully complete the forms returning them to Glynis Titman (Troop Administrator) by post or at a troop meeting no later than 24th January 2011

The data will be transferred to form a Section / Group summary and the original forms will be securely destroyed.

Kind Regards,
